

Response re Smart Meter Health 2009

Source	Receipt Date	Closed Date	Utility Name	Comment	Private Comment
LETTER	12-23-2009	12-30-2009	Pacific Gas & Electric Company	NULL	Consumer is requesting to opt out of the Smart Meter due to health issues. See attachments. Sent email to VSJ and PAO
LETTER	06-15-2009	07-03-2009	Pacific Gas & Electric Company	<p>The consumer states that she suffers from environmental illnesses which are made worse when the SMART METER is utilized. See the consumer's correspondence. Offer the consumer an alternative meter so that her health is not impacted by the meter.</p> <p>Contact the consumer in writing, a copy of which may serve as a report to the Commission. Per CPUC Code 581, the utility must respond to each item on page two of the data request and must include the responses in the letter to the consumer. Sustained charges must be supported by the appropriate tariff citation.</p>	NULL
